## Welcome to the USA!

Students who have recently arrived in the United States of America can receive up to 10 hours of supportive services. These services include:

- Assistance with opening a bank account;
- Providing information about the public transportation system (busses, taxis, trains);
- Recommending a suitable doctor, dentist, hospital, counselor, and/or childcare provider;
- Helping the student get a driver's license;
- Taking the student to receive vaccinations as necessary; and
- Providing information about local grocery stores, restaurants, shopping, movie theaters, entertainment, and tourist options.

**Cost: \$500** (Transportation to locations will be provided at no additional cost.)

## One-On-One Tutoring

Students interested in one-on-one language learning can meet with a professional tutor to develop skills in grammar, pronunciation, writing, reading, listening, and/or speaking.

**Cost: \$46 per hour**

## Document Editing

Students who are writing an official letter or applying to a new school need to use correct grammar, spelling, and sentence structure. A professional teacher will proofread student writings and provide editing advice.

**Cost: \$46 per hour**

## Assistance With Choosing a University

Students who are interested in transferring from IET to a college or university can receive up to five (5) hours of supportive services. These services include:

- Determining the student's area of interest;
- Recommending colleges/universities that specialize in the student's area of interest;
- Providing information about the process for translating credentials, such as diplomas and official transcripts;
- Editing the student's written correspondence;
- Explaining application requirements (for example, student may need a certain TOEFL score); and
- Supporting the student throughout the application and transfer process.

**Cost: \$250**
