

Documentation of Employee Status for Act 29 of 1994

Act 29 requires school entities to identify employees into two classes:

- 1- “Existing” employees – employees employed by a school entity within the Commonwealth of Pennsylvania *before* July 1, 1994.

OR

- 2- “New” employees – employees with effective dates of employment after June 30, 1994, that had NOT been employed by another school entity within the Commonwealth of Pennsylvania *before* July 1, 1994.

Definitions as defined by Act 29:

- 1- School Entities – public school districts of any class, intermediate units, and area vocational technical school
- 2- Employed – earned compensation

Note: A substitute teacher that only worked one day within the Commonwealth *before* July 1, 1994, would be considered employed *prior* to July 1, 1994 for Act 29 purposes.

Based on the information and definitions above, have you **EVER** worked for **ANY** school entity in the Commonwealth of Pennsylvania (as defined by Act 29) before July 1, 1994?
