Can you conquer the cube? Do you have what it takes to twist, turn, and discover tricks to the Rubik's Cube? If so, enliven the "cuber" inside of you! Each day campers will engage in puzzling projects with Rubik's cubes of 2x2, 3x3, and more! Campers will enhance their mathematical side while learning to solve with algorithms, awaken their artistic side through pixelated mosaic creations, and think critically with coding, mathematics, and STEM explorations. Join us to problem solve, persevere, and puzzle your mind with the Rubik's Cube this summer! **Nicole Reppert**, a Gifted Support Teacher at Ephrata Area School District and 2018 PAGE Conference presenter, has used the Rubik's Cube curriculum for years in her classroom. She is very excited to share this experience with campers through IU13.

What to Bring:

- Rubik's Cube Learning camp permission slip/photo release form (included on registration form).
- A light snack will be provided each day. Allergies? Feel free to bring a snack from home.
- Water bottle with lid.

Summer
Enrichment
Camps | **iu13**

IU13 offers challenge, learning, and fun through its summer enrichment camps. Each camp is set up as an enrichment opportunity that requires teamwork, flexibility, and social interaction on the part of campers. Challenging concepts are explored in fun, interactive ways. Parents **LOVE** that their children meet new friends, enjoy hands-on learning, and have a great time!
