

## 2020-2021 Tiered Districts

**TIERED** SEE seminars are offered occasionally to allow for participation numbers per district to increase. For this reason, we divide the Lancaster-Lebanon IU13 area into the **Northern Tier** and the **Southern Tier** (for SEE Seminar purposes only). The goal is to balance the number so that maximum student participation is possible.

NOTE: Please refer to the chart below. Tier assignments might change from year to year depending upon the number of participating SEE districts.
