# Act 168 Database

## Benefits

- Saves time & increases productivity of staff managing the Act 168 process
- Automated system eliminates need for staff to manually send forms to employers
- Reduces response time from employers
- Improves compliance by electronically storing each attempt to contact employers for responses
- Reduces/eliminates need for paper forms
- Ability to save information electronically
- Ability to pre-populate correct Act 168 contact information for districts
- Web-based – no software to buy
- Ability to tailor system to individual hiring needs
- Future growth of system into a state-wide repository for applicant forms
- Easy implementation – training of staff only takes a few hours

## Statistics\*

- Employer response rate has increased to 88%
- Average response time from employers is around six days
- Drastically improved response turnaround from educational and non-educational employer organizations
