

2022 IU13 Summer Enrichment Camps

Volunteer Opportunities!

- ✓ Are you studying education in college or considering a career in education?
- ✓ Do you enjoy helping kids learn and thrive in STEM classes or related activities?
- ✓ Do you need volunteer hours for school or to build your resume?

IU13 offers challenge, learning, and fun through its summer programs for students. Each camp is set up as an enrichment opportunity that requires teamwork, flexibility, and social interaction on the part of campers. Challenging concepts are explored in fun, interactive ways. This summer, favorite camps are being offered again and new camps are being introduced!
