

2022 EDUCATOR INDUSTRY TOURS

Educator Industry Tours are intended to enhance classroom instruction, student learning, and career readiness for the workplace by connecting educators with local business and industry leaders and technical and career training centers. Educators will have an opportunity to participate in full-day, in-person tours that will include two to three business stops and one technical or training facility. The tour days will focus on three high-demand occupation areas:

MANUFACTURING

**TUESDAY
JUNE
28**

**TEC CENTRO
SIGNATURE CUSTOM CABINetry
ASTRO MACHINE WORKS**

**TRANSPORTATION
& LOGISTICS**

**WEDNESDAY
JUNE
29**

**SUNRISE LOGISTICS
THADDEUS STEVENS TECHNOLOGY CTR
RED ROSE TRANSIT AUTHORITY**

HEALTHCARE

**THURSDAY
JUNE
30**

**LIGHTHOUSE VOCATIONAL SERVICES
PENN STATE HEALTH LANCASTER
LANCASTER CLEFT PALATE CLINIC**

These annual tours give educators a chance to step outside the classroom and into local industries to learn about a variety of occupations, projected job growth, and new technology within STEM industries. Tours are scheduled June 28th-30th, 2022. Lunch and transportation are provided. Each morning, we will depart at 8:30 A.M. from the Burle Business Park at 1020 New Holland Ave., Lancaster PA 17601, on a bus. Participants are welcome to attend one or more days. **Industry Tours are free to attend but registration is required. Limited space is available.** Act 48 credits are graciously provided by the Lancaster-Lebanon Intermediate Unit 13.
