

Here's what teachers are doing..

Middle School Physical Education/Schoolwide Diamond Dash Event

Cedar Crest Middle School's Lynn Lechleitner has been running a schoolwide event for the Four Diamonds for over 5 years. She was able to incorporate the addition of an OTDA table with games and prizes for her special event. OTDA funding was used for prizes like mini footballs, water bottles, and a cricut maker to create a logo for water bottles. In addition to all of this, tons of candy and prizes were able to be purchased for the entire event.
