

IU13 Principals' Collaborative

2022-2023 School Year

Purpose: Are you a new or experienced principal, assistant principal or dean of students looking for ideas, resources, and collaborative opportunities to problem solve issues facing today's school leaders? Join us for our IU13 Principals' Collaborative to leverage the collective expertise of educational leaders in Lancaster and Lebanon counties to support one another through discussion, professional learning and networking.

- Stay informed of current local, state, and national education initiatives
- Share solutions to relevant, school-level issues and concerns
- Network and collaborate with colleagues to build personal capacity to lead

New meeting format: We understand that there is a need for flexibility to attend virtual meetings as well as a need to have organic discussions and collaborations that only occur during face-to-face meetings. This year there will be four virtual only meetings and three face-to-face only meetings in order to accommodate the needs of all our participants. Light refreshments will be provided during the face-to-face meetings.

Meeting Dates and Times:

Date	Time	Location
Tuesday, September 20, 2022	9:00 – 10:30 a.m.	Virtual
Wednesday, October 12, 2022	9:00– 11:00 a.m.	IU13 – Lancaster (1020 New Holland Ave., Lancaster)
