

2023-2024 GIFTED NETWORK

There is **no cost** for any district staff to participate in the IU13 Gifted Network meetings. These FOUR half-day job-alike gatherings will be facilitated by IU13 and open to any staff invested in supporting the academic growth of gifted/advanced learners and complying with Chapter 16 regulations. Communication for the Gifted Network will primarily take place through Schoology, and anyone interested may join this Group for updates, resources, and discussions. The access code is **FBGZM-ZHCMD**. Registration will be required for each meeting for planning and Act 48 purposes. Three (3) optional professional development sessions will be offered on the same day as network meetings for those who opt to purchase a series membership. See below for details.

2023-2024 GIFTED EDUCATION PROFESSIONAL DEVELOPMENT SERIES

IU13 School District Membership Form – Gifted Education Workshops

Timed to coincide with three Gifted Network meetings, IU13 will provide a professional development series specifically designed to connect educators with experts in the field of gifted education. These half-day Gifted Education Workshops will focus on current best practice in gifted education and be led by national experts. Chapter 16 requires that staff receive professional development in gifted education, and Schoology will be used to share information and build collaboration across districts. Act 48 will be provided for those who attend and complete required evaluations. When possible, hybrid options for attendance will be arranged. The targeted audience for these workshops includes gifted support teachers, general education teachers, building or district administrators, school psychologists, counselors, and social workers. The membership fee for this annual series is \$100 for the first staff member from a district with \$80 for each additional staff member. **Your school district will be billed in September 2023.**
