

2023-2024 SEE PROGRAM

HIGH SCHOOL HYBRID SEE SEMINAR FALL SCHEDULE

- ✓ ONLY districts that complete the online Participation Interest Forms by the stated deadlines will be included on the roster and notified as to how many students may attend. Links for these forms are in 2023-24 SEE Seminars - Hybrid Program Schoology Group.
- ✓ Zoom links for Online SEE Seminars are under Resources in Schoology.
- ✓ When appropriate, 8th grade students are welcome to attend ONLINE high school seminars.
- ✓ Turn on NOTIFICATIONS in Schoology to receive important updates and communications regarding SEE Seminars.

HS – Exploring the Cosmos: Past, Present, and Future Crewed Missions to the Moon and Beyond (Online)

Date: Tuesday, October 24, 2023
Seminar Time: 9:00 – 10:30 AM
Location: Online via Zoom
Presenter: Dr. Lydell Nunn, NASA Ambassador
Parent Registration Deadline: [Tuesday, October 17, 2023](#)

Description of Seminar: In this presentation, we embark on an exciting journey through the history, current developments, and the future of crewed missions to the Moon and beyond. We will delve into the phenomenal growth and demand for careers in the space industry, as we witness a new era of space exploration. This presentation will explore educational paths, internships, and opportunities for individuals to pursue rewarding careers in space. We will discuss successful ventures like SpaceX and Blue Origin and examine how these companies have reinvented interest in crewed missions and opened new possibilities for human exploration.

HS – Spiders, Skulls, and Nocturnal Hunters (Face-to-Face)

Date: Tuesday, October 31, 2023
Seminar Time: 9:00 AM – 1:30 PM
Location: Lancaster County Environmental Center
Presenters: Lisa Sanchez, Naturalist
Participation Interest Form Due: [Tuesday, October 10, 2023](#)
Parent Registration Deadline: [Tuesday, October 24, 2023](#)

Description of Seminar: What goes bump in the night and what is living under your bed or in your backyard? This workshop will help you answer these and many other questions. We will explore the bare bones and skulls of animals to learn some secrets. We will hike outside and discover some signs that the animals have left behind. This is a great time of the year to learn about all the creatures of the night. Get ready to dig in deeper to the life cycle of owls and take a closer look at what they ate for dinner. There will be time to relax, listen to, and observe the natural world. Bring along a journal if you wish. We will end the day with making fresh apple cider with an old-fashioned cider press.

HS – Altered Pages: Make It Your Own (Face-to-Face)

Date: Wednesday, November 8, 2023

Seminar Time: 9:00 AM – 1:30 PM

Location: Lancaster-Lebanon IU13, Burle Business Park, 1020 New Holland Avenue, Lancaster, PA

Presenter: Jenny Hill, Arts Educator

Participation Interest Form Due: [Wednesday, October 18, 2023](#)

Parent Registration Deadline: [Wednesday, November 1, 2023](#)

Description of Seminar: Do you like to write? Do you enjoy creating art? Are you interested in upcycling objects? An altered page is a mixed media form where the artist changes the original text on the page to create a new meaning. This can take the form of a poem, a meaningful phrase, or even a whole new narrative if you create multiple pages! Supplies are provided for this workshop, but if you have favorite art supplies you regularly use, you're welcome to bring them with you. All you need is your imagination for this workshop, and a readiness to play with language and visual art.

HS – Media Literacy (Face-to-Face)

Date: Wednesday, November 15, 2023

Seminar Time: 9:00 AM – 1:30 PM

Location: Lancaster-Lebanon IU13, Burle Business Park, 1020 New Holland Avenue, Lancaster, PA

Presenter: Marquis Lupton, On-Air Host/Producer for WITF

Participation Interest Form Due: [Wednesday, October 25, 2023](#)

Parent Registration Deadline: [Wednesday, November 8, 2023](#)

Description of Seminar: Are you ready to embark on an exciting journey into the world of podcasting? Join us for an engaging and interactive seminar designed especially for middle schoolers interested in exploring the art of digital storytelling through podcasts. Podcasting has become a popular medium for sharing stories, ideas, and perspectives, and this seminar will introduce you to the fundamentals of creating your own podcasts. Whether you're a budding storyteller, a curious interviewer, or someone who simply loves to share ideas, this seminar will provide you with the foundational skills and knowledge to create your own captivating podcasts. Get ready to express yourself, connect with your audience, and make your voice heard in the exciting world of podcasting!
