

# IU13 Students Win Honorable Mention in 2023-2024 Governor's STEM Logo Competition

We are excited to share that 2 students in SJ Propiel's DHH Class at Cocalico High School competed in the 2023-2024 Governor's STEM Logo Competition! The students earned an Honorable Mention for their outstanding logo submissions.

Their work was recognized for its innovation and creativity, showcasing designs they crafted using online tools. A special thank you to the teacher, STEM teacher, and paraeducators of the class for providing valuable guidance and instructions while allowing the students to participate in this competition.
