

# Curriculum and Instruction Virtual Institute

Join us for a three-day, dynamic virtual institute designed specifically for cyber charter educators across Pennsylvania! Led by the IU13 Teaching & Learning Collaborative, this institute will transform your virtual practice with practical strategies, cutting-edge tools, and fresh inspiration to drive student engagement, retention, and success.

Each day blends expert-led sessions, topic-specific breakouts, collaborative learning spaces, and school-based reflection. Whether you're refining routines, redesigning lessons for retention, or exploring AI, this institute will equip you with practical tools, fresh ideas, and a clear plan all alongside fellow virtual educators just as passionate as you.

## Across three days, you'll:

- Design purposeful virtual learning environments that foster belonging and support diverse learners
- Apply evidence-based strategies to boost retention
- Explore the power of AI to enhance teaching and learning
- Strengthen feedback loops that drive student growth
- Collaborate with peers and set meaningful goals for continued professional growth
