

# Training and Consultation (TaC) Team

## What is the IU13 TaC Team?

The TaC Team's training and consultation services are federally funded through the Individuals with Disabilities Education Act (IDEA) and are available to all public-school entities. The TaC Team provides information and customized training/consultations via workshops on-site in school districts and at IU13 Lancaster and Lebanon County Offices.

For more information, please  
check out the TaC website below:
