

IU13 Mini STEM Bowl for Grade 3

The Lancaster-Lebanon IU13 Mini **STEM Bowl for Grade 3** is designed to provide students in grade 3 the opportunity to showcase their knowledge of science, technology, engineering, and math (STEM) on a smaller scale of the competition for 4th and 5th graders. The event will consist of two components: (1) a Quiz Bowl-style competition comprised of **three** 20-minute matches in which each team of four students will compete against another team to answer a series of toss-up questions and bonus questions, and a hands-on design challenge, created by Millersville University students as part of the Children's Engineering course.
