

# IU13 STEM Bowl for Grade 4&5

The Lancaster-Lebanon IU13 **STEM Bowl for Grades 4 & 5** is designed to provide students in grade 3 the opportunity to showcase their knowledge of science, technology, engineering, and math (STEM). The event will consist of two components: (1) a Quiz Bowl-style competition comprised of six matches in which each team of four students will compete against another team to answer a series of toss-up questions and bonus questions, and two hands-on design challenges, created by Millersville University students as part of the Children's Engineering course.
