# About Community Education

Community Education is the part of the IU13 that focuses on services for adults, families, and youth. We educate and inspire lifelong learners to meet their individual goals. This includes helping students earn their high school equivalency diploma. We also help English language learners improve their fluency, gain U.S. citizenship, and strengthen their job skills. We are teachers, advisors, connectors, and supporters to thousands of learners in Lancaster and Lebanon Counties each year. Your sponsorship funds will go a long way towards supporting Community Education in continuing this important work.

Please make sponsorship checks payable to Lancaster Lebanon Intermediate Unit 13 and send them to:

**Lancaster Lebanon IU13**  
**PO Box 7181**  
**Lancaster, PA 17604**

Make sure to reference "Community Education Sponsorships" on your check.
