

Every Student Succeeds

# Interactive Assessment Literacy Series

*Turn Assessment Data into Action*

Hosted by the Performance Management Division of the Statewide Team for Continuous Improvement

Facilitated by Assessment Vendor Experts

Free virtual series

Designed for school leaders and teachers who use assessment data to support instruction, intervention, and continuous improvement.

## What you'll gain

- ✓ Use assessment data to guide instructional and school-level decisions
- ✓ Identify student learning gaps and instructional needs
- ✓ Apply key metrics such as scaled scores and growth
- ✓ Connect data to intervention planning and continuous improvement
- ✓ Practice with hands-on scenarios and live Q&A
