

2025-2026 COMMUNITY REPORT

Early Head Start, Head Start, and PA Pre-K Counts in Lebanon & Lancaster Counties

Lancaster-Lebanon IU13 provides Early Childhood Education to families and children birth through age five in Lancaster and Lebanon counties. These programs are federally grant-funded and provided in partnership with the Office of Head Start, Community Action Partnership of Lancaster County, and the Pennsylvania Office of Child Development and Early Learning. The following provides information on each program. The information includes the number served by each grant at any moment in time along with the cumulative total served throughout the year.

EARLY HEAD START

The Early Head Start (EHS) Home-based programs provide services to pregnant women and children through the age of three. Weekly 90-minute home visits are done with families to assist them in their role of being their child's first teacher. The Lebanon County EHS Home-based program serves 96. During 2025-2026 a cumulative total of 13 pregnant women and 137 children were served. The Lancaster County EHS Home-based program provides services to 48. In 2025-2026 a cumulative total of 8 pregnant women and 84 children were served. For both programs, the numbers include children who transitioned to Head Start in August 2026.

PA PRE-K COUNTS

Pennsylvania Pre-K Counts programming provides developmentally appropriate education to 268 children, ages three to five, in both Lancaster and Lebanon counties through various partnerships with school districts and childcare centers.

HEAD START

In 2025-2026, Lebanon County's Head Start program utilized funding from Pennsylvania's Head Start Supplemental, and Federal Head Start. The Head Start program serves 277 children in 13 classrooms throughout the county and through a partnership with the Lebanon School District K4 program on a daily basis. Head Start participants are selected based on income guidelines set forth in the Head Start Performance Standards and additional eligibility criteria established by a committee of parents, community representatives, and staff.

The Head Start program works with the family to prepare their child for kindergarten. Family service staff work with the family to develop family goals. Parents participate in monthly parent meetings and family days. In addition, two parent trainings are held during the year. At the beginning of the year, parents at each site select parents to represent them on the Head Start Policy Council, which meets monthly to provide oversight for the program.

The Head Start curriculum and instruction provided for young learners is designed to support kindergarten readiness. Areas of concentration include the growth of early literacy skills, math skills, and other key developmental areas including physical, cognitive, language, and social-emotional development.

Percentage of Children Meeting or Exceeding TSG Widely-Held Expectations

Domain Area	Fall	Winter	Spring
Social-Emotional	60%	82%	90%
Physical	78%	91%	96%
Language	62%	81%	88%
Cognitive	63%	81%	90%
Literacy	86%	80%	91%
Math	43%	74%	86%

FUNDING

Funding and expenditures for the program are as follows:

2025-26 BUDGETED REVENUES FOR EARLY CHILDHOOD PROGRAMS

2025-26 BUDGETED EXPENDITURES FOR EARLY CHILDHOOD PROGRAMS

PROGRAM REVIEW

The Administration of Children and Families conducted a monitoring review of the program in the spring of 2020. The program was found to be in compliance in all areas.
